LOOK BEFORE YOU LOCK

"MOMMY AND DADDY THINK I AM AT DAYCARE"

OVER THE LAST TWO DECADES, OVER 750 CHILDREN HAVE DIED IN THE U.S. FROM BEING LEFT UNATTENDED IN HOT CARS.

LEAVING A CHILD ALONE IN A CAR CAN QUICKLY LEAD TO HEAT STROKE AND DEATH.

* **NEVER** leave your child alone in a car, not even for a minute
* **KEEP** your car locked when you are not in it
* **CREATE** reminders by putting something in the back seat next to your child, such as a briefcase, purse, cell phone or your left shoe
* **IF** you see a child alone in a car, call 911
* **SET** a calendar reminder on your electronic device to make sure you dropped your child off at daycare; develop a plan so you will be alerted if your child is late or a no-show
