WHY PREVENTION IS IMPORTANT AND ITS EFFECTS ON SOCIAL AND PERSONALITY DEVELOPMENT

Attend this event to learn more about the impact of abuse and neglect on child development. Strategies to support effective interactions with children involved in child welfare and/or juvenile justice systems will be discussed. You will also learn about the effect of prevention strategies on child development. This session will increase/your knowledge about the importance of child abuse and or neglect prevention as it applies to all children, including those in foster care, kinship care, juvenile justice and other systems of care.

Continuing education credits sponsored by:
Pelican Center for Children & Families & Team Dynamics LLC.
One hour pending approval.
