## Identifying and Providing Mental Health Services for At-Risk Children

Join us for an enlightening session on "Identifying and Providing Mental Health Services for At-Risk Children," hosted by the Louisiana Children's Trust Fund. This virtual event is designed for educators, mental health professionals, attorneys, caregivers, and community members dedicated to supporting the mental well-being of vulnerable children. Our speakers will provide information about the challenges faced by at-risk children, the signs of mental health issues, and the most effective methods for providing the necessary support and services. Participants will leave with a deeper understanding of the mental health needs of at-risk children and practical strategies to ensure they receive the care they deserve.
