## **Mandated Reporting: Understanding Laws, Responsibilities, and Best Practices for Reporting Suspected Abuse and Neglect**

Join us for an essential session on "Mandated Reporting" presented by the Louisiana Children's Trust Fund. This virtual event is designed for professionals, attorneys, caregivers, educators, and community members who have a legal and ethical obligation to protect children from abuse and neglect. Our speaker will provide a comprehensive overview of mandated reporting laws, the responsibilities of reporters, and the best practices for handling suspected cases of abuse and neglect. Participants will gain the knowledge and confidence needed to fulfill their mandated reporting duties effectively and safeguard the well-being of children in their care.
